Welcome to the 2015 Canada Day Celebration presented by SAVECA Canada!

July 1 is a special day for all Canadians. From coast to coast to coast, people of all ages and backgrounds are coming together to celebrate a country that is strong, proud and free. As we approach the 150th anniversary of Confederation in 2017, this is a time to honour the people, events and achievements that have helped make Canada what it is today. As you enjoy today's shows, you will have the chance to acknowledge and appreciate the contributions that Indo-Canadians have made to our society and our country's cultural mosaic.

On behalf of Prime Minister Stephen Harper and the Government of Canada, I wish you all a wonderful Canada Day and invite you to express loudly and clearly your pride in being Canadian. I would like to thank Sankara Vedic Culture & Arts and all the talented performers who helped bring this celebration to life.
