

Premier of Ontario - Première ministre de l'Ontario

August 24, 2013

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am happy to extend warm greetings to everyone attending the 2013 Music Talent Show for Saveca Students.

This year's annual cultural event is especially significant as 2013 marks its 10th anniversary. Congratulations! I commend Saveca Canada for a decade of promoting Indian music, culture and art, and for helping many gifted musicians reach their full potential.

I am impressed by this dynamic event, which reflects the talent and creativity at the heart of Ontario society. Music is a rich universal language that has the power to move, hearten and inspire us — and I am confident that today's special show will do that, and more.

I am proud to be Premier of a province rooted in diversity, a place where our differences as a people unite and strengthen us. I am also proud of Ontario's Indo-Canadian community and of your invaluable contributions to the life of the great province we are fortunate to call home.

Please accept my very best wishes for a wonderful and memorable Music Talent Show.
