

OFFICE OF THE MAYOR

July 1, 2012

Dear Friends:

On behalf of members of Council and the residents of the City of Mississauga, I am pleased to extend greetings to the organizers and guests of Saveca Music Academy's Canada Day Celebration and Indo Canadian Music Talent Show.

Saveca Canada is a not-for-profit organization with the primary objective of promoting Indian culture, art, music, sports and Hindu religion within the community. Since 2004, Saveca has been organizing a number of events that showcase the traditional music of India. This event promises to be a lively and entertaining day.

As Canada's sixth largest city, Mississauga is home to a thriving and diverse cultural community. It pleases me to see the Indian community come together to celebrate the best that this culture has to offer. Celebrations such as these are what make Mississauga a great place to live, work and play.

Once again, on behalf of my colleagues on Council and the residents of the City of Mississauga, best wishes for a memorable evening.

Sincerely,

HAZEL McCALLION, C.M., LL.D.
MAYOR
