Welcome to the 2014 Canada Day Celebration presented by SAVECA Canada!

July 1 is a special day for all Canadians. From coast to coast to coast, people of all ages and backgrounds are coming together to celebrate being part of the greatest country in the world—a country that is strong, proud, and free.

On the road to our country's 150th birthday in 2017, we have a wonderful opportunity to honour everything that helped make Canada what it is today. As you enjoy today's shows, you will have the chance to acknowledge and appreciate the contributions that Indo-Canadians have made to our society.

On behalf of Prime Minister Stephen Harper and the Government of Canada, I wish you all a wonderful Canada Day. I invite you to express loudly and clearly your pride in being Canadian. I would like to offer my sincere thanks to SAVECA and all the talented artists who helped bring this celebration to life.

Happy Canada Day!
